

AUTOCRUISE

AUTOCRUISE

The Autocruise motorhome range provides you with a wide choice of vehicles created especially for your enjoyment. They are stylish, agile, well specified and include award-winning designs and features.

Our new ranges are perfectly proportioned with contemporary curved lines which unite to create motorhomes of true stature and elegance.

The family starts with the completely new, three model Star range, moves up to the Star Plus range, which has been enhanced and at the top of the family tree is the Driving range which comes with a full luxury specification as standard.

European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations.

Quality and customer service

Using manufacturing processes that adopt the latest technology coupled with traditional craftsmanship and innovative design; Autocruise produce motorhomes that are comfortable, practical, strongly constructed, highly innovative and regularly win major industry awards.

Our ongoing investment in technology, equipment and our employees ensures that you receive a high quality of vehicle and customer service.

Our after sales team are dedicated to making sure your Autocruise experience remains a passport to years of trouble-free holidays.

STAR RANGE

STAR PLUS RANGE

DRIVING RANGE

Star Range

Starfire

Starspirit

Starstream

Models shown fitted with optional Lux Pack

1. Positive locker catches for secure storage
2. Remote central locking to both cab and entrance doors
3. Low energy lighting system with soft white, high output LED lights
4. Pleated cassette blinds and flyscreens on all windows
5. Four or five 230V sockets to meet modern demands
6. Digital control SES fridge with automatic energy selection

Star range standard 'Sofia' soft furnishing scheme

The most modern Autocruise, the completely new, three model Star range is ideal for couples and offers a high specification and sleek exterior design for an affordable price.

From the outside, the silver Peugeot cab, low-line aerodynamic GRP overcab pod and distinctive graphics ensure the first impression of the Star range is of an upmarket, class-leading product. All models are powered by the economical 100Hdi diesel engine with an option of a 130Hdi with 6 speed gearbox for the Starstream.

The upmarket theme is re-enforced by the distinctive Autocruise interior with gloss walnut trim on locker doors

with push button locks for secure loading, stylish fabrics, four scatter cushions, energy saving LED lighting and spacious overcab locker.

Attention to detail is evident with a slide out storage unit with bracket for a 15" flatscreen TV to provide secure storage, pleated flyscreens/blinds in the living area and an easy action concertina door flyscreen.

The high quality kitchen has high specification appliances and a granite look moulded GRP sink with removable drainer whilst the new washroom provides a stylish new vanity unit, handy wall storage and a bi-fold door to separate the lined shower area.

Star Range

STAR RANGE KEY FEATURES

- Peugeot Boxer cab finished in metallic silver
- Smooth and economical 100 Hdi diesel engine
- Optional 130 Hdi diesel engine with 6-speed gearbox for Starstream
- Driver and passenger airbag
- One piece closed-moulded GRP rear panel
- Concertina windscreen blind and thermal pads for cab side windows
- Key-fob operated central locking to accommodation door
- Large overcab locker set in moulded fascia
- Slide-out storage and adjustable bracket for 15" flatscreen TV
- Low energy lighting system with soft white high output LED lights that save typically 70% energy compared to conventional lighting
- 12 volt exterior power point for pump filling of water tank (pump not supplied)
- Push-button locks on overhead locker doors
- Sprung interior mattresses, seat and backrest cushions

- En-route and on-site heating from dual fuel 3kW gas and 2kW electric space heater
 - Dual fuel gas and 800W mains electric storage water heater
 - Digital control, Smart Energy Selection fridge. 97 litre in Starfire; 112 litre in Starspirit and Starstream
 - Full oven, separate grill and dual fuel hob with 800W electric hotplate and 3 gas burners with electronic ignition and flame failure protection
 - Microwave oven built into kitchen locker
 - Five 230V sockets in Starstream; four in Starfire and Starspirit
 - Heavy duty rear extensions ready for optional homologated towbar
 - European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- Key options**
- **Lux Pack:** Roll-out awning, Colour and night vision reversing camera with screen mounted on rear view mirror, Cab air conditioning combined with cruise control
 - **Winter Pack:** Water tank heaters, Insulated pipes and fridge vent covers

- Roof rack and ladder
 - Detachable towbar (conforming to 94/20/EC) including electrics
 - 'Impala' fabric scheme (easy clean and stain resistant)
- ADDITIONAL FEATURES Peugeot Boxer chassis-cab with:**
- Radio/CD/MP3 player two door and two ceiling speakers
 - Radio/CD controls on steering wheel
 - Trip computer
 - ABS brakes
 - EBD (electronic brake force distribution)
 - Rear anti-roll bar
 - Variable power steering
 - Electric operated and tinted cab windows
 - Electrically adjusted and heated wing mirrors fitted with direction indicators
 - Headlamp height adjustment
 - Immobiliser with rolling code
 - Driver and passenger seats in Starspirit with:
 - Position and rake adjustment (driver's seat also has height adjustment)

- Armrest
 - Full upholstered covers
 - Base surrounds
 - Driver and passenger 'Captain seats in Starfire and Starstream with:
 - Position, height and rake adjustment
 - Swivels
 - Two armrests
 - Full upholstered covers
 - Base surrounds
 - Adjustable steering wheel position
 - Cab carpet (removable)
 - Lockable (laptop PC size) central storage box
 - Two DIN sockets
 - Spare wheel and tyre on underslung carrier
 - Reading lights set in cab 'B' pillars
- Body and Exterior equipment**
- Closed-mould GRP overcab pod with sleek new Low-Line profile
 - Roof capping rails join the front GRP overcab to the GRP back panel for a fully integrated look
 - One-piece, 5000 Series marine grade aluminium sidewalls
 - GRP moulded skirts

- Exterior door with window and stepwell for easy access
- Electrically operated single entrance step with buzzer warning and automatic retraction
- Easy action concertina door flyscreen
- Exterior locker door
- Underfloor storage bin (except Starfire)
- Double glazed opening windows with night-latch ventilation
- LED exterior light
- Compartment for two 7kg gas bottles with fitted butane/propane regulator
- Fixing points for rear-mounted cycle rack
- 32mm 'sandwich' walls with High Density Styrene core
- 32mm 'sandwich' roof with High Density Styrene core
- 44mm 'sandwich' floor with Xylogen treated WBP plywood and Styrofoam insulation core
- Strong redwood body and floor framing impregnated to resist moisture and fungal attack

Living Area

- 'Traffic' heavy duty durable floor vinyl
- Removable carpets
- Pleated easy-action cassette flyscreens and blinds
- Heki rooflight with flyscreen and adjustable blind
- Multi-directional clear rooflight with pleated flyscreen and blind
- 'Spaceframe' strong lightweight locker construction
- Lounge seat and bed tops with sprung support for easy access
- Bed mattresses and lounge area seat cushions supported by beech slats for extra comfort
- Free standing dining table
- Fitted rubber mat in entrance step well
- Two large and two standard size scatter cushions

Kitchen

- Granite look moulded GRP sink
- Removable drainer with dedicated storage
- Food grade nylon chopping board with dedicated storage

- Chrome finish brass pillar tap with long spout
- Dual fuel hob with 800W electric hotplate and three gas burners with electronic ignition and flame failure protection
- Glass hob lid with safety cut-out feature

Washroom

- 35mm thick door
- Thetford cassette toilet with electric flush and 18 litre wheeled tank
- Plastic lined shower area
- Folding doors to create dry area for toilet, towels etc.
- Chrome finish brass mixer taps and shower taps
- Multi-directional rooflight with flyscreen in Starfire and Starstream; opening window with blind and flyscreen in Starspirit

Heating and Plumbing

- Blown air system ducted to living, sleeping and washroom areas
- 90 litre external insulated fresh water tank with level sensor

- Pressurised fresh water system with self-priming pump
- 68 litre waste water tank with level sensor

Electrical

- Fully protected mains electric system
- 25 amp switch mode charger/transformer
- Large, easy to read 12V control panel over doorway with touch controls for:
 - Vehicle/Leisure battery selection
 - Water pump and lighting circuits
 - Tank levels
 - Vehicle and leisure battery state
- 95 amp-hour leisure battery (Dir 2006/66/EC) in under floor compartment
- Space in compartment for second 95 Ah battery
- Solar panel connection provision
- TV station with 230V and 12V sockets, aerial socket for connection to customer's own aerial.
- 25 metre mains hook-up cable

Star Plus Range

Starburst

Stardream

Startrail

Models shown fitted with optional Lux Pack

1. AL-KO low line chassis with 3500kg gross weight and ready for towbar fitting
2. Gas strut assisted seat tops for easy access
3. LED lighting
4. Five 230V sockets
5. En-route heating of accommodation area and outlet into cab area
6. Flush fitting aluminium framed windows

A series of motorhomes designed for luxury living, providing you with an inspiring combination of space, agility, comfort and practicality.

The Star Plus range offers all the benefits of the Star range with the addition of an AL-KO low line chassis designed to improve stability, road holding and cornering performance. This ultra low-profile range offers three best-selling models for couples and they all have a spacious 'L' shaped kitchen with swing out kitchen unit and extending worktop space, separate shower areas and a powerful Truma Combi 4kW dual fuel space and water heater.

Considerable care and attention has gone into the interior design with gloss walnut trim on locker doors with push button locks for secure loading, stylish, warm fabrics and improved lighting to the lounge area which includes energy saving LEDs. Additional touches include gas struts on seat tops for easy access, 5 mains 230V sockets to meet modern demands and a microwave oven that is fitted as standard.

The high quality kitchen has new style cream locker doors with stainless steel finish appliances and a sink with a glass lid. The washrooms are equally well equipped.

Star Plus Range

STAR PLUS RANGE KEY FEATURES

- Peugeot 130 bhp, 2.2 Hdi diesel engine with 6-speed gearbox
- AL-KO low line chassis with 3500kg gross weight and ready for towbar fitting.
- Low profile body shell, overall height (2.71m / 8'11")
- Large overcab locker set in moulded fascia
- Impact resistant 1.5mm GRP sidewall finish
- Flush fitting aluminium framed windows

- **Lux Pack:** Cab air-conditioning, Cruise control, Roll-out canopy awning, Colour reversing camera with screen integrated with rearview mirror
- **Winter Pack:** Water tank heaters, Insulated pipes and fridge vent covers
- 'Impala' fabric scheme (easy clean and stain resistant)

ADDITIONAL FEATURES

Peugeot Boxer chassis-cab with:

- Radio/CD/MP3 player two door and two ceiling speakers
- Radio/CD controls on steering wheel (not with Auto gearbox option)
- Trip computer (not with Auto gearbox option)
- ABS brakes
- EBD (electronic brake force distribution)
- Variable power steering
- Electric operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Remote central locking of cab doors
- Immobiliser with rolling code
- Adjustable steering wheel position
- Cab carpet (removable)
- Lockable (laptop PC size) central storage box
- Two DIN sockets
- Spare wheel and tyre on underslung carrier

Body and Exterior equipment

- Closed-mould GRP overcab pod with sleek Low-Line profile
- Electrically operated single entrance step with buzzer warning and automatic retraction
- Key fob operated central locking
- Seitz double locking burstproof habitation door with opening window
- Exterior access to bed locker
- LED awning light
- **NEW:** 12 volt exterior power point for pump filling of water tank (pump not supplied)
- 63mm 'sandwich' floor with Xyligen treated WBP plywood and Styrofoam insulation core
- 32mm 'sandwich' roof with High Density Styrene core
- 32mm 'sandwich' walls with High Density Styrene core
- Strong redwood body and floor framing impregnated to resist moisture and fungal attack

Living Area

- **NEW:** 'Traffic' heavy duty durable floor vinyl
- Spacious over-cab bedding locker with moulded fascia
- Removable carpets
- Pleated windscreen blind and insulated side screens
- Double glazed windows/pleated blinds/flyscreens
- Midi Heki roof light, pleated blind & flyscreen over front sitting area
- Mini Heki roof light, pleated blind & flyscreen

Kitchen

- 'L' shaped kitchen with swing-out storage unit
- Dual fuel hob with 800W electric hotplate and three gas burners with electronic ignition and flame failure protection
- Stainless steel sink and drainer with glass lid and chopping board
- 112 litre fridge with auto energy selection (175 litre two door fridge freezer in Startrail)
- Built-in microwave oven
- Chrome finish brass pillar tap with long spout

Washroom

- 35mm thick door with domestic type handle
- Thetford C250 toilet with electric flush and 18 litre wheeled waste tank
- Separate shower cubicle in Stardream
- Separate shower cubicle with washbasin in Starburst
- Lined shower area separated by folding doors in Startrail
- Chrome finish brass mixer taps and shower taps
- Multi-directional rooflight

Heating and Plumbing

- Capability to safely use accommodation heating en-route
- Blown air system ducted to living, sleeping and washroom areas
- Heating outlet into cab area
- 88 litre external insulated fresh water tank with level sensor
- Pressurised fresh water system with self-priming pump
- 73 litre waste water tank with level sensor

Electrical

- 95Ah leisure battery (Dir 2006/66/EC)
- 25A 3 stage charger
- Solar ready
- **NEW:** Large, easy to read 12V digital control panel
- **NEW:** Eye level 230V consumer unit
- Combined 12V / TV aerial socket

Engine Upgrades

Upgrade from 130bhp to Fiat 160bhp engine with Comfort-Matic auto gear box, cab air conditioning & cruise control

Driving Range

Augusta
Oakmont

1. Alde radiator central heating and hot water system
2. Cab air conditioning
3. Cooker hood
4. Eight 230V sockets
5. En-route heating of accommodation area and outlet into cab area
6. Roll out canopy awning

Driving range standard 'Cedar' soft furnishing scheme

The Driving Range consists of two larger motorhomes providing even more space, innovations and technology as standard.

Both models are built on a 4.25 ton AL-KO chassis giving generous payloads and a better overall quality of ride. The innovative overcab design allows for generous internal lockers for spacious storage.

Interiors have been refreshed with stylish new soft furnishings and separate lounge areas offer a large Heki rooflight and dedicated storage cupboard to neatly house a flat screen TV mounted on a bracket. Ample sleeping room is provided in both models, with comfortable fixed beds. Innovative kitchen layouts feature new style cream locker

doors with stainless steel finish appliances and good storage and work top solutions including a swing out unit in the Augusta.

Both models have a large separate shower cubicle, the latest Thetford toilet and neatly integrated sink with useful storage cabinet.

Extra levels of specification justify its position in the luxury market sector. Alloy wheels, cab air-conditioning, cruise control, roll out awning, reversing camera and Alde radiator central heating and hot water system all come as standard. Details like fresh and waste water tank heaters also make these models true all year round tourers.

Driving Range

DRIVING RANGE KEY FEATURES

- Peugeot Boxer 157 bhp, 3.0 Hdi diesel engine with 6-speed gearbox
- Cab air conditioning
- Cruise control
- AL-KO chassis with 4250kg gross weight
- Peugeot alloy wheels
- Low-line body with large overcab bedding locker set in moulded fascia
- Impact resistant 1.5mm GRP sidewall finish
- Flush fitting aluminium framed windows
- Roll-out canopy awning
- Colour reversing camera with screen integrated with rearview mirror
- Swivelling & height adjustable driver & passenger 'Captain' seats with two armrests
- Driver and passenger airbags
- Key-fob operated central locking to accommodation door
- Low energy lighting system with soft white high output LED lights that save typically 70% energy compared to conventional lighting
- Reading lights and downlighters for cab seats

- Eight 230V sockets including two in cab
- Seat tops supported by gas struts for easy access
- Built in microwave oven with digital controls
- Dometic Cooker hood
- ALDE Radiator Central Heating with en-route and programming facility
- Fan-driven heating outlet into cab area
- Fresh and waste water tank heaters for winter protection
- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations

Key Options

- Fiat Chassis/Cab with Comfort-Matic auto gearbox
- 'Impala' fabric scheme (easy clean and stain resistant)

ADDITIONAL FEATURES

Peugeot Boxer chassis-cab with:

- Walnut trimmed dash
- Radio/CD/MP3 player two door and two ceiling speakers
- Radio/CD controls on steering wheel (not with Auto gearbox option)
- Trip computer (not with Auto gearbox)
- ABS brakes
- EBD (electronic brake force distribution)
- Variable power steering
- Electric operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Remote central locking of cab doors
- Immobiliser with rolling code
- Cab carpet (removable)
- Lockable (laptop PC size) central storage box
- Two DIN sockets
- Spare wheel and tyre on underslung carrier

Body and Exterior equipment

- Closed-mould GRP overcab pod with sleek Low-Line profile
- Electrically operated entrance step with buzzer warning and automatic retraction
- Rear corner steadies
- Key fob operated central locking
- Seitz double locking burstproof habitation door with opening window
- Exterior access to bed locker
- LED awning light

† Estimated.

‡ Only available on Fiat base vehicles.

*The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank / water tank and gas capacity.

** Gross train weight must not be exceeded. Please consult your dealer for more detailed towing information.

Starfire (both front singles) are sized with a cab seat infill which extends the bed length.

Products may be built on a Peugeot or Fiat base vehicle. Please check with your dealer at the time of ordering.
